

## Notes from Pastor Dan...

The month of April will provide us with many opportunities to consider the work of the Transition Committee's work. During worship in April, I will be sharing a series of sermons concerning "Practices of Fruitful Congregations". This is based on helpful information for churches seeking to be on mission for Christ in the world. I look forward to sharing in this journey with you.

The second part of the task will be a gathering of the congregation for Dialogue Sessions about the future of RDBC. The Transition Committee is meeting regularly to consider recommendations for your consideration. I ask for your continued prayer support for this group as they do their work. Thank you for your faithfulness to the mission of Christ's church.
